7 OF THE COOLEST THEMED HOTELS FROM AROUND THE WORLD

JUNE 19, 2008
BY ANDY BOYD

The Iron Horse Hotel [Wisconsin, United States]
This motorcycle-themed hotel hasn't even opened yet and it's already taking reservations from Harley riders interested in being among the first to enjoy the place. Located within walking distance of the brand-new Harley-Davidson Museum, this hotel is a luxury spot with special amenities for bikers. Those amenities include indoor bike parking, on-site bike washing facilities, and on-site stores selling everything a motorcycle rider might need.
