BUNK All the cool people—that's you, since you're learning to ride a Harley—stay at the fabulous new, vaguely biker-themed **Iron Horse Hotel** (above), one of Condé Nast's Hot Hotels for 2009, a luxurious boutique property in a 100-year-old warehouse. Don't miss brunch in the sun-drenched library, or the soon-to-open 20-person (yes, 20!) indoor hot tub in the former boiler room. From \$125 per night (ah, Midwest prices).
