Iron Horse Hotel Milwaukee

“Hog” fans need look no further than this converted 100-year-old warehouse. Just a kick start from the Harley-Davidson Museum, the hotel has been designed with bikers in mind. Thoughtful touches in the rugged, style-driven rooms include hooks for heavy leathers and storage facilities for boots and helmets. Ride routes are provided, bikes are available to rent and a Cook Custom Chopper is displayed in the lounge.

The Iron Horse Hotel, 500 West Florida Street, Milwaukee, Wisconsin, US (001 888 543 4766; theironhorsehotel.com). Doubles start at \$182 (£121), room only.
